

Dover
Beckenham
May 29 1882

Will you have the
kindness to allow me to
see (and make copies of)
any letters written by my
father, the late Charles
Darwin which you may
have?

It is of course fully under-
stood that nothing in any
letter which you may

send to me, will be made
public without your
full consent.

The letters shall be carefully
returned to you.

With great respect
Yours faithfully
F. Darwin

Mons: de Lacaze Dathin
