DAVID C. HEILSON
CAROLINE E. SPRINGER

THE UNIVERSITY OF NEBRASKA

LINCOLN

Mr. Henry Baldwin Ward extends the most sincere congratulations on the occasion of the presentation of the beautiful work of art by the zoologists of Spain in token of the distinguished services to the science of zoology rendered by

Mr. le Professeur H. de Lacaze-Duthiers and expresses hereby his deep regret that circumstances did not allow of his participating with his fellow members of the Zoological Society of France and with others of similar mind in an event of such a character.
